

"You're not alone"

Come Join Our Family Support and Training Groups

PROVIDING COMPREHENSIVE SERVICES TO PEOPLE IN NEED.

These groups provide understanding, unity, emotional support and encouragement to families who have adult-aged loved ones with a mental/behavioral diagnosis

These groups will provide an atmosphere where family members can share in a confidential environment.

They will also provide education on topics of self care and co-dependency, with practical education on our mental/behavioral health and legal systems

***Refreshments
will be served**

This is a place where you can laugh and/or cry.

Most importantly, it's a place where families of members can discover that they are "not alone".
